

Admission Documentation for to the Binational Doctorate

Send the following documentation in a single PDF to doctorado@ffyb.uba.ar:

- Undergraduate and transcript of records (external graduated students, must legalize the degree by the Universidad de Buenos Aires)
- ID Card or Passport:
- CV of the applicant in English
- Registration Form
- Preliminary thesis plan in English. The title of the plan must be in English and Spanish.
- Director's Curriculum Vitae in English (Summary, between five and ten pages)

Clarification: In the case of external graduated students, it is possible to start the registration with the degree title even if it is not legalized by UBA; or with proof that the title has been requested and is still pending. This will allow the issuance of a registration certificate until the missing documents/legalizations, necessary for final admission, are submitted.

To start the legalization process by the Universidad de Buenos Aires, contact doctorado@ffyb.uba.ar
