

VIII INTERNATIONAL CONGRESS IN BIOMEDICAL SCIENCES

November 27th & 28th

Presented by:
International Master in Biomedical Sciences (IMBS)
Binational PhD Milstein Köhler in Biomedical Sciences

Scientific Program

Thursday 27th

9:00 – 10:00	First Poster Set up
10:00 – 12:00	First Poster Session
12:00 – 13:30	Second Poster Set up
13:30 – 15:30	Second Poster Session
16:30	Opening Ceremony
17:00	Honoris Causa Edvard Moser

Location: School of Pharmacy and Biochemistry (Junín 956, CABA, Buenos Aires)

Poster session - Ground Floor

Opening ceremony and Honoris Causa - Aula Magna, third floor.

Lectures - Conference Room, ground floor.

.UBA CIENCIAS MÉDICAS
.UBA FARMACIA Y BIOQUÍMICA

Deutsche Botschaft
Buenos Aires
Embajada de Alemania
Buenos Aires

Friday 28th

First Session

Chairpersons – Prof. Dr. Pablo Evelson, Prof. Dr. Christoph Borner

9:00 – 9:20

“Regulation of Deubiquitinases in Cell Death and Inflammation”

Prof. Dr. Ulrich Maurer – University of Freiburg

9:20 – 9:40

“Trojan Proteins for Studying Rare Diseases and Designing Therapeutic Strategies”

Prof. Dr. Javier Santos – Universidad de Buenos Aires

9:40 – 10:00

Biophysical Methods in the Discovery of Non-Covalent and Covalent Small-Molecule Drugs”.

Prof. Dr. Nicholas Werbeck – Furtwangen University

10:00 – 10:20

“Chronic Exposure to Urban Air Pollution Alters the Visual Pathway”

Dr. Ailén Hovza Arana – Universidad de Buenos Aires

10:20 – 10:40

Discussion and Questions

Coffee Break

Second Session

Chairpersons – Prof. Dr. Ralph Wäsch, Prof. Dr. Fernando Dominci

11:00 – 11:20

“Toxins Responsible for Antibiotic-Associated Diarrhea”

Prof. Emeritus Dr. Klaus Aktories – University of Freiburg

11:20 – 11:40

“Translating Academic Findings into Commercialisation”

Dr. Jonas Bermeitinger- CRIION

11:40 – 12:00

“Sensors for Body Motion based on Natural Polymers”

Prof. Dr. Guillermo Copello – Universidad de Buenos Aires

12:00 – 12:20

Discussion and Questions

Lunch Break

Third Session

Chairpersons – Prof. Dr. Verónica D’Annunzio, Prof. Dr. Hans-Peter Deigner

14:00 – 14:20

“Characterization of Chemoresistance in Human Chronic Myeloid Leukemia Cells”

Dr. Silvina Lompardía – Universidad de Buenos Aires

14:20 – 14:40

“Adaptive Immunity in Cardiovascular Disease”

Dr. Timoteo Marchini – University of Freiburg

14:40 – 15:00

“Targeting Monocyte Differentiation in Cancer Immunotherapy”

Dr. Fernando Erra Díaz – Universidad de Buenos Aires

15:00 – 15:20

Discussion and Questions

Fourth Session

Chairpersons – Prof. Dr. Silvia Álvarez, Prof. Dr. Marta Mollerach

15:20 – 15:40

Selected Posters Oral Presentations

Coffee Break

16:00

Closing Ceremony
